These are Post-Secondary Courses and **Attendance** is extremely important to the learning and pace of the program for student success.

**Please return to the school front office by**  
**March 7, 2024**

### **What is the process?**

Once the applications are in there will be a decision if the course runs. If there is enough student interest then an interview process in May and students will know if they are in the program by June.

### **There is a cost associated with each course.**

Course expenses are for items students take away with them at the end of the course include the following:

**Pro-Cook: Uniform**

**Carpentry: Visual Vest, Workbook, tool belt and tools**

**Automotive Technician: Overalls and resource books**

We are awaiting the exact cost and will provide that once the applicant has been accepted to the program.

To help with budgeting, 2023 costs were Pro-Cook fees were \$100 plus \$100 deposit for knife kit (this will be returned if the kits are returned without missing equipment), Carpentry \$460 and Automotive \$650. We expect the costs to go up slightly for the next year.

Should the costs be prohibitive, please contact Mrs. Gordon  
([cgordon@sd46.bc.ca](mailto:cgordon@sd46.bc.ca)).
